Instead, add quite a few links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other strategy is to check out prices by creating a variety of duplicate gross sales pages with different costs on each page. Ensure your gross sales copy is strictly the same on each web page, and includes your selling-deal with sentence. Then figure out for each web page the conversion ratio between visitors to your web site and sales of your book. This may let you know what your optimum price is.
