Find out how to Price Your **Cambridge O Level Biology Revision Guide** eBook

You've written and compiled an **Cambridge O Level Biology Revision Guide** ebook. Now it's a must to determine how a lot to cost for it. Finding the best price is crucial to the success of your product. If you charge too little Cambridge O Level Biology Revision Guide, people will suppose it's of little worth, they usually will not buy it, or even if they do buy your ebook, you'll have to sell thousands of copies to get to the point the place you can begin to see a profit. If you Cambridge O Level Biology Revision Guide price it too high when put next along with your competition, you will find yourself steadily reducing the worth, which will cause you all kinds of new issues within the future.

Choosing the proper price in your **Cambridge O Level Biology Revision Guide** e book is likely one of the most critical parts of the advertising process. The first rule of pricing ebooks is to never underprice. Decide the best price your audience can afford, after which for those who discover your book isn't promoting, you possibly can at all times scale back the price. Earlier than you take that step, ensure you are promoting your Cambridge O Level Biology Revision Guide guide like loopy on the Internet and on websites. The price needs to be aimed at bringing in profits, but you must never forget that worth is likely one of the elements that folks use in judging the worth of your Cambridge O Level Biology Revision Guide e book ? before they purchase it. So always begin with the best price, and then launch a mega-advertising campaign.

Pricing an e book is particularly difficult as a result of ebooks are a reasonably new commodity. Since they are digital, the worth of an book is as confusing because the understanding of what digital truly is to the average layperson. Because of this we must take a look at ebooks in a distinct light so as to determine their actual worth on this brave, new cyber world.

Let us take a look at the distinction between a guide in print and an ebook. A printed ebook is an object you may maintain in your hand, store in your bookshelf, even hand down to the subsequent generation. It is priced on factors such as paper stock, design and production costs, and marketing.

But the truth that unites ebooks and print books is that they're composed of ideas. It's the ideas in these books which have the ability to alter, or possibly remodel, people's lives.

What do you assume an idea is price when evaluated towards the cost of paper and ink?

It is the IDEAS which are worthwhile! That's the way you decide the cost of your ebook.

What should I cost for my ideas?

There are all totally different formulas and methods for figuring out the correct value in your ebook. Let's start with honing in in your final goals.

Resolve in case your goal is to get huge distribution and maximum exposure. This aim is aimed toward drawing clients to what you are promoting or service, or to establishing the credibility of your reputation. If this is your main purpose, it is best to goal to keep your value on the low side. Some authors have even priced their ebooks at a profit loss to draw a excessive number of new customers. The secret's to discover a worth that maximizes your earnings and the variety of books you sell.

This is a superb pricing technique in case you are seeking to acquire long-time period customers. Lengthy-term clients are extremely doubtless to buy from you once more and once more ? so long as the primary e-book they buy is of distinctive quality and helpful to the customer.

Nonetheless, if your ebook accommodates valuable ? and extra importantly NEW data, references, or strategies ? then it's best to goal to price it on the excessive end.

After you determine your goal, you must determine what your audience's need is in your ebook. For example, does your guide solve a specific problem? If it does, and solves it in a way that hasn't been written about in 100 different ebooks, you will be capable of achieve high sales at a high price. In case your book solves a problem or answers questions in a new and distinctive approach, it is best to price your ebook as high as you can go. You'll obtain bigger profits this fashion, however herald fewer customers. Simply be certain that the query or downside that your e-book solves is one that is necessary and relevant to the majority of your market audience. In case your concepts are usually not widespread knowledge, or you might be presenting a brand new approach, you will be able to promote books at a excessive price. Just be prepared on your competitors to undercut you on value as soon as they hear about your book.

Needless to say the above pricing strategy is temporary. Ultimately, you'll cease to sell books at this high price. So determine in advance how long you plan to offer your e-book at this high price, and when that point is up, change your pricing strategy.

If you want to see massive earnings over buyer draw, goal for an audience that's looking for simple solutions to their issues at a low price. If your book is aimed toward solving one particular downside moderately than general advice, then you'll be able to charge more. Begin at the highest worth the market will bear to bring in the largest profits, and plan to low cost the e-book a number of occasions throughout the year.

Advertising Methods

The key that unlocks the sales potential of your book is to discover a single sentence that turns into your selling handle. This sentence states what question or drawback your ebook answers and the advantages your ebook can provide. Then make sure you use that sentence in each piece of sales and promotional material, and each time anyone asks you about your ebook.

In addition to selling your books assiduously on-line, there are several other methods that may show you how to promote extra books.

One is to offer something away for free together with your e book, reminiscent of a precious bonus item. Or bundle a number of ebooks under one worth, which lowers the price for each e book in the event that they have been bought separately.

An efficient method for figuring out a worth is to ship out a survey to your present customers. If these clients have already bought an e-book from you, ask for his or her opinion when it comes to price. Do this by creating a gross sales web page for the new e book, but do not embrace a worth on that page. Instead, add plenty of hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

One other strategy is to test out prices by creating a variety of duplicate sales pages with totally different prices on each page. Be certain that your sales copy is exactly the similar on each page,

and consists of your promoting-handle sentence. Then determine for each web page the conversion ratio between guests to your web site and sales of your book. This will tell you what your optimum price is.

In the end, if you happen to've written a book that solves a problem or presents a new approach, your ebook will usher in both traffic and profits. So you should definitely write that promoting-deal with sentence that sums up what drawback your guide solves and what the benefits of your *Cambridge O Level Biology Revision Guide* e book will be to the shoppers who buy it. And then watch your market come to you!
