Begin at the highest worth the market will bear to usher in the largest earnings, and plan to low cost the guide a number of times throughout the year.

Marketing Strategies

The key that unlocks the gross sales potential of your book is to find a single sentence that turns into your promoting handle. This sentence states what query or problem your e-book answers and the advantages your ebook can provide. Then be sure you use that sentence in every piece of gross sales and promotional material, and every time anyone asks you about your ebook.

In addition to promoting your books assiduously on-line, there are a number of other methods that can make it easier to promote extra books.

One is to give something away totally free along with your e-book, reminiscent of a useful bonus item. Or bundle several ebooks underneath one value, which lowers the value for every ebook if they have been offered separately.

An effective method for figuring out a value is to send out a survey to your current customers. If these clients have already bought an e book from you, ask for their opinion in terms of price. Do that by creating a gross sales web page for the brand new e-book, but don't embrace a worth on that page. As an alternative, add numerous hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another strategy is to test out costs by making a number of duplicate sales pages with different prices on each page. Be certain that your sales copy is precisely the identical on every page, and

includes your promoting-handle sentence. Then work out for every web page the conversion ratio between visitors to your web site and gross sales of your book. This can inform you what your optimum value is.

Ultimately, in the event you've written a ebook that solves a drawback or presents a brand new approach, your e-book will herald both site visitors and profits. So be sure you write that promoting-handle sentence that sums up what problem your e book solves and what the benefits of your *Drum Student Guide* book can be to the shoppers who purchase it. And then watch your market come to you!
