As an alternative, add quite a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another technique is to test out costs by creating a number of duplicate gross sales pages with completely different prices on each page. Make sure that your sales copy is exactly the identical on

every page, and consists of your promoting-handle sentence. Then work out for every web page the conversion ratio between guests to your site and sales of your book. This can inform you what your optimum worth is.
