Choosing the right price in your **Juniper Enterprise Routing Guide** book is one of the most critical parts of the advertising process. The first rule of pricing ebooks is to never underprice. Determine the highest worth your audience can afford, after which when you discover your guide isn't selling, you'll be able to at all times reduce the price. Earlier than you take that step, be sure you are selling your Juniper Enterprise Routing Guide book like loopy on the Internet and on websites. The value needs to be geared toward bringing in profits, however you need to by no means overlook that price is without doubt one of the factors that people use in judging the value of your *Juniper Enterprise Routing Guide* ebook ? earlier than they purchase it. So all the time begin with the highest price, and then launch a mega-advertising campaign.

Pricing an e-book is especially difficult as a result of ebooks are a reasonably new commodity.

Since they are digital, the value of an book is as confusing because the understanding of what digital actually is to the common layperson. Which means that we must look at ebooks in a distinct light with a purpose to decide their precise worth on this courageous, new cyber world.

Let's take a look at the difference between a book in print and an ebook. A printed e-book is an object you possibly can hold in your hand, store on your bookshelf, even hand down to the subsequent generation. It is priced on components such as paper inventory, design and production costs, and marketing.

However the fact that unites ebooks and print books is that they are composed of ideas. It's the concepts in these books that have the power to alter, or presumably remodel, folks's lives.

What do you think an concept is value when evaluated in opposition to the price of paper and ink?

It's the IDEAS which are useful! That is how you determine the price of your ebook.

What should I charge for my concepts?

There are all completely different formulation and methods for figuring out the right worth for your ebook. Let's begin with honing in in your ultimate goals.

Decide if your aim is to get large distribution and maximum exposure. This goal is aimed at drawing clients to your online business or service, or to establishing the credibility of your reputation. If that is your principal purpose, you need to intention to maintain your value on the low side. Some authors have even priced their ebooks at a revenue loss to draw a high number of new customers. The bottom line is to discover a worth that maximizes your income and the variety of books you sell.

This is an excellent pricing strategy if you are trying to purchase long-term customers. Lengthy-time period clients are extraordinarily doubtless to purchase from you again and once more ? so long as the first e book they buy is of distinctive quality and beneficial to the customer.

Nevertheless, if your guide comprises precious ? and more importantly NEW data, references, or strategies ? then it's best to goal to price it on the high end.

After you determine your goal, you should work out what your viewers's need is in your ebook. For example, does your book solve a selected downside? If it does, and solves it in a approach that hasn't been written about in 100 other ebooks, you will be able to obtain excessive sales at a excessive price. If your e book solves a problem or answers questions in a brand new and unique

method, it is best to price your e book as excessive as you may go. You will achieve larger earnings this manner, but usher in fewer customers. Simply be certain the query or downside that your ebook solves is one which is important and related to the majority of your market audience. If your concepts should not frequent knowledge, or you're presenting a model new technique, you will be able to promote books at a excessive price. Just be ready on your competitors to undercut you on worth as quickly as they hear about your book.

Remember the fact that the above pricing strategy is temporary. Ultimately, you will stop to sell books at this high price. So determine in advance how lengthy you plan to supply your e-book at this high value, and when that point is up, change your pricing strategy.

If you wish to see large profits over customer draw, aim for an viewers that's on the lookout for straightforward options to their problems at a low price. If your e-book is geared toward solving one particular problem somewhat than basic recommendation, then you may cost more. Start at the highest worth the market will bear to bring in the largest profits, and plan to low cost the ebook a variety of times all through the year.

Advertising Methods

The important thing that unlocks the gross sales potential of your ebook is to discover a single sentence that turns into your selling handle. This sentence states what question or problem your e book solutions and the benefits your e book can provide. Then be sure to use that sentence in each piece of sales and promotional materials, and each time anybody asks you about your ebook.

Besides promoting your books assiduously online, there are a number of different methods that may aid you sell extra books.

One is to present something away for free together with your guide, such as a useful bonus item. Or bundle a number of ebooks underneath one price, which lowers the worth for every e book if they were sold separately.

An effective approach for figuring out a price is to send out a survey to your present customers. If these clients have already purchased an e book from you, ask for his or her opinion in terms of price. Do this by making a sales page for the new ebook, but don't embrace a value on that page. As a substitute, add a lot of links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another strategy is to check out costs by creating a variety of duplicate gross sales pages with completely different prices on every page. Make sure your sales copy is strictly the similar on

every page, and contains your selling-handle sentence. Then determine for every page the conversion ratio between visitors to your web site and gross sales of your book. This may tell you what your optimum price is.

Finally, if you happen to've written a e-book that solves a downside or presents a new technique, your ebook will usher in both traffic and profits. So make sure to write that promoting-deal with sentence that sums up what problem your ebook solves and what the advantages of your *Juniper Enterprise Routing Guide* e-book might be to the purchasers who purchase it. And then watch your market come to you!
