Learn how to Value Your **Lonely Planet London Guide** eBook

You have written and compiled an **Lonely Planet London Guide** ebook. Now you must determine how much to charge for it. Discovering the precise price is essential to the success of your product. If you charge too little Lonely Planet London Guide, folks will suppose it is of little value, and so they won't purchase it, or even if they do buy your book, you will have to sell thousands of copies to get to the point where you may start to see a profit. For those who *Lonely Planet London Guide* price it too high when put next along with your competition, you can see your self steadily lowering the price, which will trigger you all types of new problems within the future.

Selecting the best worth to your **Lonely Planet London Guide** e book is likely one of the most critical components of the advertising process. The first rule of pricing ebooks is to by no means underprice. Decide the highest price your viewers can afford, and then in the event you discover your e book isn't selling, you'll be able to all the time scale back the price. Before you take that step, be sure you are promoting your Lonely Planet London Guide guide like loopy on the Internet and on websites. The price needs to be aimed toward bringing in earnings, however you must by no means overlook that worth is without doubt one of the elements that individuals use in judging the worth of your *Lonely Planet London Guide* book ? before they purchase it. So always start with the highest worth, and then launch a mega-advertising and marketing campaign.

Pricing an book is especially tough as a result of ebooks are a reasonably new commodity. Since they

are digital, the value of an ebook is as confusing because the understanding of what digital truly is to the common layperson. This means that we should take a look at ebooks in a unique light to be able to decide their precise worth on this brave, new cyber world.

Let's look at the difference between a book in print and an ebook. A printed guide is an object you possibly can hold in your hand, store on your bookshelf, even hand down to the following generation. It is priced on elements such as paper inventory, design and production costs, and marketing.

But the truth that unites ebooks and print books is that they're composed of ideas. It is the ideas in these books which have the ability to change, or probably transform, individuals's lives.

What do you assume an concept is worth when evaluated against the price of paper and ink?

It is the IDEAS which are invaluable! That is how you determine the price of your ebook.

What should I cost for my concepts?

There are all different formulas and methods for figuring out the correct price on your ebook. Let's begin with honing in on your ultimate goals.

Decide if your goal is to get large distribution and maximum exposure. This goal is aimed at drawing customers to what you are promoting or service, or to establishing the credibility of your reputation. If this is your essential goal, you should aim to keep your worth on the low side. Some authors have even priced their ebooks at a profit loss to attract an excessive number of new customers. The secret's to discover a value that maximizes your profits and the variety of books you sell.

This is a wonderful pricing technique if you are looking to acquire long-term customers. Long-term prospects are extraordinarily likely to buy from you again and again ? as long as the primary e book they purchase is of exceptional high quality and useful to the customer.

Nonetheless, in case your guide incorporates worthwhile ? and more importantly NEW info, references, or techniques ? then you must purpose to price it on the high end.

After you figure out your purpose, you should work out what your audience's want is on your ebook. For example, does your book solve a specific problem? If it does, and solves it in a method that hasn't been written about in one hundred other ebooks, you may be able to obtain high sales at a

high price. If your guide solves an issue or answers questions in a brand new and distinctive means, it's best to worth your ebook as excessive as you may go. You will achieve bigger income this fashion, but herald fewer customers. Simply be sure the query or drawback that your ebook solves is one which is vital and relevant to the majority of your market audience. If your ideas will not be frequent knowledge, or you might be presenting a model new approach, it is possible for you to to sell books at a high price. Just be prepared to your competition to undercut you on value as quickly as they hear about your book.

Remember the fact that the above pricing technique is temporary. Eventually, you'll stop to sell books at this high price. So figure out upfront how lengthy you plan to offer your e book at this excessive price, and when that time is up, change your pricing strategy.

If you want to see giant earnings over buyer draw, goal for an viewers that's in search of straightforward options to their issues at a low price. In case your guide is geared toward solving one explicit downside moderately than normal advice, then you'll be able to cost more. Begin on the highest value the market will bear to bring in the largest income, and plan to low cost the e book a variety of occasions all through the year.

Marketing Strategies

The important thing that unlocks the gross sales potential of your ebook is to discover a single sentence that turns into your selling handle. This sentence states what question or drawback your guide solutions and the advantages your e book can provide. Then be sure you use that sentence in

each piece of gross sales and promotional material, and each time anyone asks you about your ebook.

In addition to promoting your books assiduously on-line, there are several other methods that can assist you to promote extra books.

One is to offer one thing away free of charge along with your guide, similar to a invaluable bonus item. Or bundle a number of ebooks underneath one value, which lowers the price for every book in the event that they had been offered separately.

An efficient technique for figuring out a value is to send out a survey to your present customers. If these clients have already bought an e-book from you, ask for their opinion by way of price. Do that by creating a sales page for the brand new e-book, but do not embrace a worth on that page. As a substitute, add a number of links to survey questions that ask pointed questions to help you in assigning a price to your ebook.

Another technique is to check out costs by creating a variety of duplicate gross sales pages with completely different costs on each page. Be certain that your sales copy is precisely the similar on every web page, and contains your promoting-deal with sentence. Then work out for each page the conversion ratio between guests to your site and sales of your book. This may inform you what your optimum worth is.

In the end, in case you've written a e-book that solves a drawback or presents a new technique, your book will usher in both visitors and profits. So make sure to write that selling-deal with sentence that sums up what problem your e-book solves and what the advantages of your *Lonely Planet London Guide* e book will probably be to the shoppers who purchase it. After which watch your market come to you!
