sales and promotional material, and each time anybody asks you about your ebook.

An effective approach for determining a worth is to ship out a survey to your current customers. If these prospects have already bought an ebook from you, ask for their opinion in terms of price. Do this by creating a sales page for the new e book, however don't include a value on that page. As a substitute, add a number of links to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

One other technique is to check out costs by creating a variety of duplicate gross sales pages with totally different prices on every page. Make sure that your sales copy is strictly the similar on every page, and includes your promoting-deal with sentence. Then determine for each page the conversion ratio between guests to your web site and sales of your book. This can tell you what your optimum price is.
