One is to provide one thing away without cost along with your ebook, reminiscent of a priceless bonus item. Or bundle several ebooks under one price, which lowers the price for each ebook in the event that they had been offered separately.

An effective method for figuring out a worth is to send out a survey to your current customers. If these clients have already bought an e book from you, ask for their opinion when it comes to price.

Do this by creating a gross sales web page for the new guide, but don't embody a price on that page. Instead, add a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Then work out for every page the conversion ratio between guests to your website and sales of your book. It will tell you what your optimum value is.

Finally, if you happen to've written a e-book that solves a downside or presents a brand new technique, your e book will bring in each visitors and profits.
