If these customers have already purchased an e-book from you, ask for their opinion in terms of price. Do that by making a gross sales page for the brand new ebook, however do not embrace a value on that page. As a substitute, add a lot of hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another technique is to test out prices by creating a number of duplicate gross sales pages with different costs on every page. Ensure that your sales copy is precisely the similar on every page,

and contains your promoting-deal with sentence. Then figure out for each page the conversion ratio between visitors to your site and sales of your book. It will tell you what your optimum worth is.

In the end, if you happen to've written a ebook that solves a downside or presents a new technique, your ebook will herald both traffic and profits.
