Instead, add numerous hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another technique is to test out prices by creating a variety of duplicate sales pages with different prices on every page. Ensure that your gross sales copy is exactly the identical on each

web page, and contains your promoting-deal with sentence. Then work out for each web page the conversion ratio between visitors to your site and sales of your book. It will inform you what your optimum price is.

Finally, when you've written a e book that solves a drawback or presents a new technique, your e book will usher in each site visitors and profits.
