price. Do that by making a gross sales page for the new e-book, but do not embody a worth on that page. As a substitute, add a variety of links to survey questions that ask pointed questions to help you in assigning a price to your ebook.

Then determine for every web page the conversion ratio between guests to your website and sales of your book. This can tell you what your optimum value is.

Finally, in the event you've written a e-book that solves a drawback or presents a new technique, your e book will herald each site visitors and profits.
