Do that by making a gross sales page for the brand new e book, however do not embrace a value on that page. As an alternative, add a variety of hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another technique is to test out prices by making a variety of duplicate gross sales pages with different costs on every page. Make certain your gross sales copy is strictly the similar on every

web page, and consists of your promoting-handle sentence. Then work out for every web page the conversion ratio between guests to your site and gross sales of your book. This may let you know what your optimum price is.

Ultimately, in case you've written a ebook that solves a downside or presents a brand new technique, your e-book will usher in both site visitors and profits.
