An efficient method for determining a price is to ship out a survey to your current customers. If these prospects have already purchased an e book from you, ask for his or her opinion in terms of price. Do that by creating a sales page for the new ebook, but don't embody a value on that page. Instead, add quite a lot of hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other technique is to check out prices by creating a variety of duplicate gross sales pages with totally different costs on every page. Be sure that your gross sales copy is exactly the similar on

each page, and contains your selling-handle sentence. Then figure out for each web page the conversion ratio between guests to your website and sales of your book. This may inform you what your optimum worth is.

Finally, if you happen to've written a guide that solves a drawback or presents a brand new technique, your e-book will herald each site visitors and profits. So you should definitely write that promoting-deal with sentence that sums up what downside your ebook solves and what the benefits of your 1250 guide shall be to the shoppers who buy it.
