If these prospects have already purchased an e-book from you, ask for his or her opinion in terms of price. Do that by creating a gross sales web page for the brand new book, but do not embrace a value on that page. As a substitute, add a number of hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

One other technique is to check out prices by creating a number of duplicate gross sales pages with completely different prices on each page. Be certain your sales copy is strictly the identical on

every web page, and includes your selling-deal with sentence. Then determine for each page the conversion ratio between guests to your website and gross sales of your book. This may inform you what your optimum worth is.
