As an alternative, add a variety of hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other strategy is to check out prices by creating a number of duplicate sales pages with different prices on each page. Ensure your gross sales copy is strictly the identical on each web

page, and includes your selling-handle sentence. Then work out for every page the conversion ratio between guests to your website and sales of your book. This may tell you what your optimum value is.

Finally, if you've written a e-book that solves a drawback or presents a brand new technique, your ebook will usher in both traffic and profits.
