If these customers have already purchased an e-book from you, ask for his or her opinion when it comes to price. Do this by making a gross sales page for the new guide, however don't embrace a value on that page. As a substitute, add numerous hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another strategy is to test out prices by making a number of duplicate gross sales pages with completely different prices on every page. Be sure that your gross sales copy is strictly the identical on each web page, and contains your selling-handle sentence. Then determine for each web page the conversion ratio between guests to your website and sales of your book. This will inform you what your optimum worth is.

Finally, should you've written a e-book that solves a problem or presents a new technique, your book will herald each visitors and profits. So be sure to write that promoting-handle sentence that sums up what drawback your e book solves and what the advantages of your 2086 ebook will likely be to the purchasers who purchase it.
