Do this by creating a sales web page for the new ebook, however do not include a value on that page. As an alternative, add numerous hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another strategy is to check out costs by creating a variety of duplicate gross sales pages with totally different prices on each page. Make sure that your gross sales copy is strictly the similar on each web page, and consists of your promoting-handle sentence. Then work out for every web page the conversion ratio between visitors to your web site and gross sales of your book. This can tell you what your optimum value is.

Finally, when you've written a e-book that solves a problem or presents a brand new method, your guide will herald each visitors and profits. So you should definitely write that selling-handle sentence that sums up what downside your ebook solves and what the advantages of your 2100 guide will likely be to the shoppers who purchase it.
