An effective method for figuring out a worth is to send out a survey to your present customers. If these clients have already bought an ebook from you, ask for his or her opinion in terms of price. Do this by creating a gross sales page for the new e book, but don't embrace a price on that page. As an alternative, add quite a few links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other strategy is to test out prices by making a number of duplicate gross sales pages with different prices on each page. Make certain your sales copy is strictly the identical on every page,

and includes your selling-handle sentence. Then determine for each web page the conversion ratio between visitors to your site and sales of your book. This may let you know what your optimum value is.

In the end, should you've written a guide that solves a drawback or presents a new technique, your e-book will usher in both site visitors and profits. So you'll want to write that selling-handle sentence that sums up what downside your e-book solves and what the advantages of your 2104 book can be to the purchasers who purchase it.
