Do that by making a gross sales page for the brand new guide, but do not embody a price on that page. As an alternative, add quite a lot of hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another strategy is to check out costs by making a variety of duplicate sales pages with completely different prices on each page. Be certain your sales copy is strictly the identical on every page, and includes your promoting-handle sentence. Then figure out for every page the conversion ratio between visitors to your web site and sales of your book. This may inform you what your optimum price is.

Ultimately, for those who've written a guide that solves a downside or presents a new technique,

your book will herald both site visitors and profits. So be sure you write that promoting-handle sentence that sums up what problem your e book solves and what the benefits of your 2505 e-book will likely be to the purchasers who purchase it. After which watch your market come to you!
