Instead, add numerous hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

One other strategy is to test out prices by creating a number of duplicate sales pages with different prices on every page. Be sure that your gross sales copy is strictly the similar on every

page, and contains your selling-handle sentence. Then work out for each web page the conversion ratio between guests to your web site and gross sales of your book. This can inform you what your optimum value is.

Finally, if you've written a guide that solves a downside or presents a new approach, your e book will usher in each traffic and profits.
