One is to provide something away free of charge together with your guide, corresponding to a beneficial bonus item. Or bundle several ebooks below one value, which lowers the price for every ebook if they had been sold separately.

An efficient approach for figuring out a value is to ship out a survey to your current customers. If these prospects have already purchased an e book from you, ask for their opinion when it comes to price. Do this by creating a gross sales page for the new guide, but don't include a value on that page.
