Do this by creating a gross sales web page for the new ebook, however don't embody a value on that page. As a substitute, add quite a lot of links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other strategy is to check out prices by making a number of duplicate gross sales pages with completely different prices on every page. Make sure your sales copy is exactly the similar on each web page, and includes your selling-handle sentence. Then work out for each page the conversion ratio between guests to your site and gross sales of your book. This will tell you what your optimum price is.

Finally, should you've written a e book that solves a problem or presents a new approach, your ebook will usher in each site visitors and profits.
