Do that by making a sales web page for the brand new book, however don't include a worth on that page. As a substitute, add plenty of hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other strategy is to test out prices by making a number of duplicate gross sales pages with totally different costs on every page. Be certain that your gross sales copy is exactly the similar

on each page, and contains your selling-handle sentence. Then determine for every web page the conversion ratio between visitors to your website and gross sales of your book. This will inform you what your optimum worth is.
