Do that by making a gross sales page for the brand new e book, but do not embody a value on that page. Instead, add a number of links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other technique is to check out costs by making a number of duplicate gross sales pages with totally different prices on every page. Be certain your gross sales copy is strictly the same on

every web page, and includes your selling-handle sentence. Then work out for every web page the conversion ratio between guests to your web site and gross sales of your book. This will let you know what your optimum value is.
