An efficient approach for figuring out a value is to send out a survey to your current customers. If these clients have already bought an ebook from you, ask for their opinion when it comes to price.

Do that by creating a gross sales page for the brand new guide, but do not embrace a worth on that page. As a substitute, add various hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another strategy is to test out prices by making a variety of duplicate gross sales pages with totally different prices on each page. Make certain your gross sales copy is exactly the same on every page, and consists of your promoting-handle sentence. Then figure out for each web page the conversion ratio between visitors to your site and gross sales of your book. It will inform you what your optimum value is.

Ultimately, should you've written a ebook that solves a downside or presents a brand new method, your guide will bring in both traffic and profits. So make sure you write that selling-deal with sentence that sums up what downside your e book solves and what the benefits of your 602 e-book will be to the customers who buy it.
