price. Do this by creating a sales web page for the brand new e-book, but do not embrace a worth on that page. As an alternative, add a number of links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Make certain your gross sales copy is exactly the similar on every web page, and contains your selling-handle sentence. Then work out for every web page the conversion ratio between guests to your web site and gross sales of your book. It will tell you what your optimum value is.

Finally, should you've written a guide that solves a drawback or presents a new technique, your ebook will herald both site visitors and profits.
