A printed book is an object you possibly can maintain in your hand, store on your bookshelf, even hand down to the following generation. It is priced on elements such as paper inventory, design and production costs, and marketing.

But the truth that unites ebooks and print books is that they are composed of ideas. It is the ideas in these books which have the power to vary, or possibly rework, people's lives.

What do you suppose an idea is value when evaluated in opposition to the cost of paper and ink?

It is the IDEAS which might be helpful! That's the way you determine the cost of your ebook.

What should I charge for my ideas?

Determine in case your goal is to get wide distribution and most exposure. This aim is aimed toward drawing customers to your small business or service, or to establishing the credibility of your reputation. However, in case your e-book contains beneficial ? and more importantly NEW info, references, or techniques ? then it is best to goal to price it on the excessive end.

After you determine your aim, you must work out what your viewers's need is to your ebook. For instance, does your ebook clear up a specific downside? If it does, and solves it in a method that hasn't been written about in 100 different ebooks, you may be able to achieve excessive gross sales at a excessive price. If your e book solves a problem or answers questions in a new and distinctive means, it is best to price your guide as excessive as you possibly can go. An efficient approach for determining a worth is to send out a survey to your current customers. If these customers have already purchased an book from you, ask for his or her opinion in terms of price. Do that by creating a gross sales page for the new book, however do not embrace a worth on that page. As an alternative, add numerous hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

One other technique is to check out costs by making a number of duplicate sales pages with different prices on each page. Make certain your sales copy is strictly the identical on each page, and

includes your promoting-handle sentence. Then work out for each web page the conversion ratio between visitors to your website and sales of your book. It will let you know what your optimum value is.

Finally, if you've written a e-book that solves a downside or presents a brand new method, your e book will herald each visitors and profits. So you'll want to write that promoting-deal with sentence that sums up what drawback your book solves and what the benefits of your 705 book will be to the customers who purchase it.
