Keep in mind that the above pricing strategy is temporary. Finally, you'll cease to promote books at this high price. So figure out in advance how lengthy you plan to offer your e book at this excessive worth, and when that point is up, change your pricing strategy.

If you wish to see large earnings over customer draw, intention for an audience that's searching for easy options to their issues at a low price. If your guide is aimed toward solving one specific downside slightly than basic advice, then you possibly can cost more. Start on the highest value the market will bear to herald the largest earnings, and plan to low cost the book a number of occasions all through the year.
