In the event you *Touch Panel Graphics Design Guide* price it too excessive in comparison together with your competitors, you'll find yourself steadily decreasing the price, which can cause you all types of new issues in the future.

Selecting the best value for your **Touch Panel Graphics Design Guide** book is without doubt one of the most crucial elements of the advertising and marketing process. The first rule of pricing ebooks is to never underprice. Decide the very best price your audience can afford, after which if you discover your guide isn't promoting, you can always scale back the price. Earlier than you take that step, ensure you are promoting your Touch Panel Graphics Design Guide e-book like crazy on the Web and on websites. The value must be aimed toward bringing in earnings, but you need to by no means forget that value is one of the elements that people use in judging the value of your *Touch Panel Graphics Design Guide* e-book ? earlier than they buy it. So all the time start with the very best worth, and then launch a mega-marketing campaign.

Pricing an ebook is especially troublesome as a result of ebooks are a fairly new commodity. Since

they are digital, the value of an e-book is as confusing because the understanding of what digital really is to the average layperson. This means that we must have a look at ebooks in a different light in order to determine their precise price on this courageous, new cyber world.

Let's take a look at the difference between a guide in print and an ebook. A printed e-book is an object you may maintain in your hand, retailer on your bookshelf, even hand down to the subsequent generation. It is priced on factors such as paper stock, design and manufacturing costs, and marketing.

But the truth that unites ebooks and print books is that they're composed of ideas. It's the concepts in these books that have the power to alter, or presumably transform, people's lives.

What do you suppose an thought is value when evaluated in opposition to the price of paper and ink?

It is the IDEAS which might be helpful! That is how you determine the cost of your ebook.

What ought to I cost for my ideas?

There are all totally different formulation and methods for figuring out the correct worth to your ebook. Let's start with honing in in your final goals.

Resolve in case your purpose is to get vast distribution and maximum exposure. This purpose is aimed toward drawing clients to your business or service, or to establishing the credibility of your reputation. If this is your main objective, you need to aim to maintain your value on the low side. Some authors have even priced their ebooks at a profit loss to attract a high number of new customers. The secret's to discover a price that maximizes your income and the variety of books you sell.

This is a superb pricing technique if you are looking to purchase long-time period customers. Lengthy-time period clients are extraordinarily doubtless to purchase from you once more and once more ? so long as the primary e book they purchase is of exceptional quality and helpful to the customer.

Nevertheless, in case your e-book comprises valuable ? and extra importantly NEW info, references, or techniques ? then you should aim to cost it on the high end.

After you figure out your purpose, you will need to figure out what your viewers's want is for your ebook. For instance, does your book resolve a specific problem? If it does, and solves it in a

approach that hasn't been written about in 100 different ebooks, you may be able to achieve excessive gross sales at a excessive price. If your ebook solves an issue or solutions questions in a new and unique manner, it's best to price your guide as excessive as you may go. You will obtain bigger earnings this way, but usher in fewer customers. Simply be sure that the question or downside that your e book solves is one which is important and related to the vast majority of your market audience. In case your ideas are not frequent data, or you are presenting a brand new method, it is possible for you to to promote books at a high price. Simply be prepared for your competitors to undercut you on worth as quickly as they hear about your book.

Understand that the above pricing strategy is temporary. Ultimately, you'll cease to promote books at this excessive price. So determine in advance how lengthy you plan to offer your ebook at this excessive value, and when that time is up, change your pricing strategy.

If you want to see giant income over customer draw, purpose for an viewers that is looking for simple options to their problems at a low price. In case your guide is aimed toward fixing one specific drawback slightly than normal advice, then you may cost more. Start at the highest price the market will bear to usher in the largest income, and plan to low cost the e-book a variety of instances throughout the year.

Advertising Methods

The important thing that unlocks the gross sales potential of your book is to discover a single sentence that becomes your promoting handle. This sentence states what question or downside your e-

book answers and the advantages your book can provide. Then you'll want to use that sentence in each piece of sales and promotional materials, and every time anyone asks you about your ebook.

In addition to promoting your books assiduously online, there are several other strategies that may provide help to promote more books.

One is to offer one thing away totally free with your book, corresponding to a helpful bonus item. Or bundle several ebooks underneath one price, which lowers the price for every e book in the event that they had been sold separately.

An effective method for figuring out a worth is to send out a survey to your current customers. If these clients have already bought an e book from you, ask for his or her opinion when it comes to price. Do this by creating a gross sales web page for the brand new e book, but don't include a worth on that page. As a substitute, add numerous links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another strategy is to check out costs by creating a number of duplicate gross sales pages with different costs on each page. Ensure your gross sales copy is exactly the same on each web page, and consists of your promoting-deal with sentence. Then figure out for each web page the conversion ratio between visitors to your site and sales of your book. It will tell you what your optimum price is.

In the end, if you've written a e-book that solves a drawback or presents a new method, your ebook will herald both traffic and profits. So make sure to write that promoting-handle sentence that sums up what drawback your book solves and what the advantages of your *Touch Panel Graphics Design Guide* e book will likely be to the customers who buy it. And then watch your market come to you!
