Advertising and marketing Methods

The key that unlocks the gross sales potential of your book is to discover a single sentence that turns into your selling handle. Besides selling your books assiduously on-line, there are a number of other methods that can help you promote more books.

One is to provide one thing away for free along with your e-book, akin to a beneficial bonus item. Or bundle several ebooks below one value, which lowers the value for each e-book in the event that they were offered separately.

An efficient approach for determining a value is to ship out a survey to your current customers. If these prospects have already purchased an ebook from you, ask for his or her opinion in terms of price. Do that by creating a gross sales page for the new ebook, but do not include a worth on that page. As an alternative, add numerous hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another technique is to test out prices by making a number of duplicate sales pages with different prices on each page. Be certain that your gross sales copy is exactly the identical on each web page, and includes your promoting-handle sentence. Then figure out for every web page the conversion ratio between guests to your site and gross sales of your book. This will inform you what your optimum worth is.

In the end, for those who've written a e book that solves a problem or presents a new method, your ebook will usher in both visitors and profits.
