As a substitute, add various hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

One other technique is to test out prices by creating a variety of duplicate gross sales pages with totally different prices on every page. Be sure that your gross sales copy is strictly the same on

each page, and consists of your promoting-handle sentence. Then figure out for each web page the conversion ratio between guests to your website and sales of your book. This can inform you what your optimum price is.
